

# **NORTH FLORIDA VOLLEYBALL ACADEMY**

## **MAKING THE DIFFERENGE IN YOUNG PEOPLE'S LIVES!!!**

*The North Florida Volleyball Academy, Inc. (NFVA FEI: 59-3639630) is a non-profit organization dedicated to advancing the personal and athletic development of youth through the pursuit of excellence in volleyball. This avenue also gives high school athletes an opportunity to receive an athletic scholarship toward their college education.*

*Our volleyball club offers the local (Leon, Wakulla and surrounding counties) elementary, middle and high school girls and boys the opportunity to participate in clinics, camps, as well as regional and national travel teams to help them accomplish this goal. However, there are a great number of volleyball athletes that cannot benefit from this program because they simply cannot afford it.*

*We are asking our community to help us accomplish our goal of providing help to those volleyball athletes in need by contributing. You can also to donate to a specific team or an individual player of your choice.*

*If you or your organization is interested, please complete the form below and send it with your donation to the address provided in the form.*
