

NORTH FLORIDA VOLLEYBALL ACADEMY

The North Florida Volleyball Academy, Inc. (NFVA FEI: 59-3639630) is a non-profit organization dedicated to advancing the personal and athletic development of youth through the pursuit of excellence in volleyball. This avenue also gives high school athletes an opportunity to receive an athletic scholarship toward their college education.

Our volleyball club offers the local (Leon, Wakulla and surrounding counties) elementary, middle and high school girls and boys the opportunity to participate in clinics, camps as well as regional and national travel teams, to help them accomplish this goal.

We are asking cooperation's & our community to help us accomplish our goal by becoming a club sponsor. While helping North Florida Volleyball Academy a non-profit organization become nationally recognized, you will also get great advertisement, regionally and nationally.

"There is a little difference in people, but that little difference makes a big difference.

That little difference is attitude.

The big difference is whether it is positive or negative
